Digital Dining provides restaurant point of sale systems comprised of point-of-sale (POS) hardware, software and operational applications, as well as a suite of back office applications that include inventory, labor and financial management, and corporate applications. Digital Dining is a robust, easy to use product and the Handheld POS eliminates credit card fraud, expedites service and increases profits through the Order & Pay at the table technology. Sysco Customers receive a 5% discount.

Repeat Returns is a rewards marketing program that gives your customers continual and repeated reasons to visit more often and spend more money. The program is based on common sense... "bribing" customers with discounts trains them to "wait." But offering rewards – encourages them to "spend." Most restaurant owners on our program are generating \$50 in customer spending for every dollar invested.

Bars give up about 20 percent of annual sales to overpouring, illicit freebies and theft. At Bevinco, our job is to eliminate that loss and put it back in your bottom line. We guarantee to increase profits by 10% of alcohol sales and reduce shrinkage to 5 percent or less. Bevinco's weekly service compares product usage to sales for every drop of liquor, beer and wine dispensed, while Bevinco's reports detail product usage by brand, help in the detection of theft and provide insightful consultation to ensure prevention.
