

# Metro New York

(201) 433 - 2000

Everyday, Sysco Metro New York delivers the safest, highest quality food service products and offers industry leading customer support, such as profit workshops and menu development. Sysco continually works with suppliers and customers to shape the future of food service, while placing great importance on supporting our community.

Sysco Metro New York has developed lasting partnerships that ensure our customers continue to receive the types of products and services they need.

SuperMedia connects you with hungry customers. We're the local advertising agency restaurants can count on. Our Superpages products make sure you are everywhere you need to be: Online, on mobile phones, in mailboxes, and in the yellow pages. We know you are busy, so we will also take care of getting you on Twitter, Facebook, and Yelp, too. You have to focus on running the operation, so let SuperMedia do the work. Talk to your rep today about exclusive packages tailored specifically for Sysco customers. Contact Meredith Tyson at 859-219-2717

Snapfinger is the nations largest and most complete restaurant search and remote ordering site for take-out, delivery and catering from restaurants. Snapfinger allows the customer direct access to restaurants through each locations interactive menu. With access from the web, cell phone or from a toll free number, Snapfinger offers the industrys first Mobile Menu Application allowing restaurants to create a mobile access point to their web site and increase sales. Sysco Customers receive 50% discount. For more information, please contact Chase Garrett at 949-244-2991.

Applied Media Technologies Corporation (AMTC) is the national provider of SIRIUS Music For Business, a satellite radio service and Eos Music, an internet based digital music service. Both options cater to the needs of business owners. For customers without an existing sound system, AMTC can provide a custom-designed sound system at the best prices in the industry. For more information please contact Greg Powell at (800) 741-2682 x232

Executive Dining Club can provide you with an inter-active web site that will allow your customers to order food directly over the Internet. We can either build you a web site from scratch or link our system in to your existing web site. And best of all, all you need is a fax to accept the orders. EDC does the rest! Our turn-key solution will have you online and taking orders over the Internet in less than two weeks. EDCs technology makes it easier for patrons to order and easier for you to process orders. EDC will improve the your bottom line, enhance the your image and build a valuable data base at the same time. Call John Fetterolf at 914-276-3061 for more information

Bars give up about 20 percent of annual sales to overpouring, illicit freebies and theft. At Bevinco, our job is to eliminate that loss and put it back in your bottom line. We guarantee to increase profits by 10% of alcohol sales and reduce shrinkage to 5 percent or less. Bevincos weekly service compares product usage to sales for every drop of liquor, beer and wine dispensed, while Bevincos reports detail product usage by brand, help in the detection of theft and provide insightful consultation to ensure prevention. For more information please contact Krista Dinsmore at 416-490-6266 x301

XtraCash Payment Systems values each merchant we serve, realizing that great pricing is just as important as exceptional customer service. With XtraCash our merchant relationships get both! Our staff provides outstanding customer service and technical support 24 hours a day, 7 days a weeks. XtraCash also will help you plan out a strategy to maximize your profits and our flexibility allows our customers to change their service(s) as their needs grow and our response time is second to none in the industry. Contact Joseph Messina at 908-454-7475

HUNGRYPERSON.COM provides wonderfully animated Flash websites, Google search optimization, and still provide online ordering also. But of course, with the advent of the Smartphone (i-phone, android, and blackberry) and Digital Signage, we look forward to using our technologies to help the restaurants to leverage this new way of connecting to the internet as well. Contact Mike Eng at 201-612-8377

American Mobile Kitchens works with different sectors of the hospitality, foodservice and event management industries to coordinate mobile kitchens, logistics and support equipment across America. The temporary mobile kitchen solutions have been utilized by disaster relief efforts, construction relocation projects, military operations, major sporting events, as well as movie and television production shoots.
