

Sysco NNE

Marketing Partners

Everyday, Sysco Northern New England delivers the safest, highest quality food service products and offers industry leading customer support, such as profit workshops and menu development. Sysco continually works with suppliers and customers to shape the future of food service, while placing great importance on supporting our community. Sysco Northern New England has developed lasting partnerships that ensure our customers continue to receive the types of products and services they need.

My mission is to create attractive, high-quality designs that convey an appropriate and professional image for clients. I offer personalized attention - making it a priority to study and learn about clients businesses, goals and ideas before beginning any project. This allows me to develop designs that best suit my clients needs within their specific markers. For more information please contact Melissa Wellman at 207-975-2044

OrderEze websites are user friendly, require no understanding of web programming or html and provide an aggressive and efficient way to attract a new audience as well as strengthen your current consumer base. Customers can edit content from their own computer, collect consumer email addresses, send out unlimited email blasts, sell breakfast, lunch and dinner online with orders going directly to the fax. OrderEze provides an aggressive marketing tool that not only has been proven to fill the cash register, but is an easy and painless system to operate. For more information please contact Tim Carr at (631) 271-3470x236

SuperMedia connects you with hungry customers. We're the local advertising agency restaurants can count on. Our Superpages products make sure you are everywhere you need to be: Online, on mobile phones, in mailboxes, and in the yellow pages. We know you are busy, so we will also take care of getting you on Twitter, Facebook, and Yelp, too. You have to focus on running the operation, so let SuperMedia do the work. Talk to your rep today about exclusive packages tailored specifically for Sysco customers. Contact John Wolfrum at 207-828-6126

Elavon delivers innovative and secure merchant payment processing solutions designed to fit the needs of your restaurant. Our flexible payment processing solutions help you achieve greater control of your cash flow, minimize your collections risk, and better serve your customers. Accept all types of credit and debit cards quickly and easily. Elavon can also help increase traffic and drive revenue with a gift card program. Electronic gift cards allow customers to extend more payment choices to patrons while adding value to the business. To get started, please call Debra Lipman at 303-268-2352

Sullivision.com, creator of the world's best-selling foodservice training products and programs for owners, managers and crews, is now an iCare partner! SYSCO customers are searching for realistic and practical training tools to help them compete and thrive in a challenging foodservice arena. Our books, DVDs and posters are designed to help owners and managers (and the SYSCO Marketing Associates that serve them) train their teams effectively in the areas that matter most. Call Jim Sullivan at 920-830-3915 for more information

Applied Media Technologies Corporation (AMTC) is the national provider of SIRIUS Music For Business, a satellite radio service and Eos Music, an internet based digital music service. Both options cater to the needs of business owners. For customers without an existing sound system, AMTC can provide a custom-designed sound system at the best prices in the industry. For more information please contact Greg Powell at (800) 741-2682 x232

Executive Dining Club can provide you with an inter-active web site that will allow your customers to order food directly over the Internet. We can either build you a web site from scratch or link our system in to your existing web site. And best of all, all you need is a fax to accept the orders. EDC does the rest! Our turn-key solution will have you online and taking orders over the Internet in less than two weeks. EDCs technology makes it easier for patrons to order and easier for you to process orders. EDC will improve the your bottom line, enhance the your image and build a valuable data base at the same time. Call John Fetterolf at 914-276-3061 for more information
