

Winnipeg

(204) 478-4000

Everyday, Sysco Winnipeg delivers the safest, highest quality food service products and offers industry leading customer support, such as profit workshops and menu development. Sysco continually works with suppliers and customers to shape the future of food service, while placing great importance on supporting our community.

Sysco Winnipeg has developed lasting partnerships that ensure our customers continue to receive the types of products and services they need.

CMSText provides Mobile marketing along with Texting products and services to a broad customer base with a primary emphasis on the restaurant and hotel industries. CMSText products are tailored to specific needs so as to implement marketing campaigns instantly. The services are very cost effective and popular with full service restaurants. For more information please contact John Mayes 859-264-7568 x119.

Executive Dining Club can provide you with an inter-active web site that will allow your customers to order food directly over the Internet. We can either build you a web site from scratch or link our system in to your existing web site. And best of all, all you need is a fax to accept the orders. EDC does the rest! Our turn-key solution will have you online and taking orders over the Internet in less than two weeks. Call Joe Kotler at 860-918-4515 for more information

MICROS is the global leader in the restaurant industry. MICROS is the only full-systems solutions provider for all market segments with a global distribution and service network in place for major chains, regional chains, local independents, table service and the quick-service market. MICROS provides restaurant information systems comprising hardware and software for point-of-sale (POS) and operational applications, as well as a suite of back-office applications. Sysco customers receive 10% discount. For more information please contact Nick Ricci at 604-303-9902

Snapfinger is the nations largest and most complete restaurant search and remote ordering site for take-out, delivery and catering from restaurants. Snapfinger allows the customer direct access to restaurants through each locations interactive menu. With access from the web, cell phone or from a toll free number, Snapfinger offers the industrys first Mobile Menu Application allowing restaurants to create a mobile access point to their web site and increase sales. Sysco Customers receive 50% discount. For more information, please contact Chase Garrett at 949-244-2991.

Maitre D POS Software is dedicated to offering the hospitality industry affordable and scalable solutions that truly respond to current needs. We continuously develop applications that will continue to benefit our customers as they grow with us. New technologies can so often be perceived as the latest trend, but Maitre D goes beyond to offer forward thinking solutions that deliver immediate financial and operational benefits, and a high return on investment.
