Payment Solutions

CREDIT & DEBIT CARD PAYMENTS

Accept a broad range of credit and debit cards for payment including corporate/commercial and rewards cards.

POINT-OF-SALE SOLUTIONS

Terminals, printers, PIN pads and peripherals from a variety of leading manufacturers are supported. Choose from purchase or lease options.

VAR INTERFACE SOLUTIONS

Integrate processing with your POS platform with solutions from many value-added resellers and software providers (i.e. Micros, PosiTouch, Digital Dining, Aloha and Squirrel).

ONLINE REPORTING & SUPPORT

MerchantConnect is our free online reporting tool that allows you to securely monitor your account from any Web browser at any time of day.

ELECTRONIC CHECK SERVICE

ECS converts paper checks into safe, efficient electronic transactions that are processed with the speed and ease of credit card transactions. Gone are manual check reconciliations, time-consuming trips to the bank, and the hassles of check collections.

ELECTRONIC GIFT CARD

Your gift card transactions will be handled by Elavon with the same speed and ease of credit cards. And you can monitor transaction details and card balances online. Compare that to the hassle of manually processing paper gift certificates!

Basic Cards

Get started immediately with 50 cards printed with your business name, street address, and phone number on a pre-selected style for only \$79 upfront and \$5 per month.

Standard Cards

Choose from an attractive selection of pre-designed card styles. Add a single color logo or customized text in your choice of font style and color. Order 100 to 1,000 cards and your customers will be loyal in no time.

Custom Cards

Invest in style with custom cards designed by you or with our help. Your custom solution becomes a portable billboard in customers' wallets and more importantly, the cards can be used for merchandise returns, which means money stays in your store!
